

## WTCA Member Seminar

December 14-16, 2009

### *“Learning How to Build the Foundation for a Successful World Trade Center”*

I am pleased to extend an invitation to all World Trade Centers Association (WTCA) members, to participate in this year's Member Seminar, hosted by WTCA Headquarters. There is **NO REGISTRATION FEE** to attend. Please note that the deadline for registration is November 16<sup>th</sup>, 2009. This year, the Member Seminar will be held at the Roosevelt Hotel, located at Madison Avenue and 45<sup>th</sup> Street in New York City.

The WTCA developed its first “Member Seminar” (formerly known as the “New Member Seminar”) in 1989. The goal of the Member Seminar is to provide the tools necessary for our members (new and old) to learn how to incorporate, build, enhance and maintain a growing and successful World Trade Center.

We have assembled a team of experts from around the globe, to show you how to accomplish the goal. Give us 48 hours and participate in what is one of the most important services that our members can benefit from, free of charge. Our expert speakers are selected from the WTCA's extensive roster of experienced WTC operators as well as our own staff members. They are a great

example of why we always consider the WTCA a family, where members are always willing to help one another.

Please forward your request for registration information to [wtcaevents@wtca.org](mailto:wtcaevents@wtca.org).

We look forward to welcoming you in New York!

Sincerely,
